## After School Art Spring 2010

The Mabee-Gerrer Museum of Art's After School Art Classes offer a unique environment for learning and creativity. Students view and learn from the Museum's permanent collection of art spanning 6,000 years of human history, as well as the many unique special exhibitions. Students then use the techniques they see and ideas they discuss to create wildly magnificent art! The program culminates with a year end exhibition that will amaze you.
